March 2014 Missions Update

Drs. George & Hazel Hill

Victory Churches International offers many opportunities for missions no matter who you are or how old you may be. There is a place for you on the mission field! This month we want to introduce you to a few of our missionaries who have been out in the field.

The Wilson Family - Rwanda

In January Kim & Renae Wilson packed up their belongings and their 5 kids and moved from Lethbridge, AB to Rwanda to take over the running of the Victory Family Home of Champions. They are all excited to see what the Lord has in store!

VictoryWorldMissions

Joy Parks & Lisa Andrews - Kenya

Joy & Lisa are both young ladies who simply have a heart for missions. They both decided to take a few month of their lives to go to Kenya and help out at our newest Children's Home in Kisumu, Kenya. The experience has been life changing for them both. Joy is from the UK & Lisa is from Grande Prairie, AB. Joy has now returned home and Lisa is soon to follow. *If you would like to take their place, there is an opening for you!*

Lisa Andrews, Short Term Missionary to Kenya

Patrick Meir - Cambodia

Patrick is a former graduate from Victory Bible College in Calgary, AB. He has spent the last 2 years working with our Not 4 Sale project in Cambodia and has recently returned to Canada. This mission rescues young girls from the sex trade and gives them hope and a new path in life. We are so thankful for all of the hard work that he has put into this ministry!

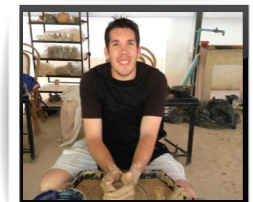

Joy Parks, Short Term Missionary to Kenya

Missions Opportunity:

Mexico - Baja Missions Base

July 11-27 there will be a Youth Mission to Mexico! The team will be leaving from Swift Current, SK and stopping for a week of training in California before continuing to Mexico. This will be the opportunity of a lifetime for youth! Contact us today for more information and to join the team!

Patrick Meir, Missionary to Cambodia

Please pray for:

- * *An increase in missionaries and teams to be sent out into the field.*
- * *The new directors at our Children's Homes in Kenya and Rwanda as they face new challenges there.*
- * *The right people and resources to expand the kingdom in every nation.*
