Pray For...

- Drs. George & Hazel Hill that they would receive protection, direction and inspiration as they lead this movement.
- VBCI Trek Students. That they would experience a life changing adventure and see the power of God manifest in their lives. That God would draw the right people, at the right time to take part.
- For more leaders to be raised up through this program. The harvest is ready, but the laborers are few.
- For the leaders and administrators of the program. That God would give them wisdom and direction as they raise up a new generation of world changers.
