Myanmar Special Report

There has been continual unrest and civil war within the nation of Myanmar for many years now. This conflict is centered around the Ethnic cleansing of Muslim groups in the nation of Myanmar. Men are being exterminated or forced into service with rebel forces, women have been raped and murdered and thousands of children have been orphaned, abandoned and left in the bushes to fend for themselves.

This situation caught the attention of Dr. Hazel as she visited Myanmar in December of 2016. 50 Muslim children have now been rescued from the refugee camps and are now living in the Victory Children's Home. These children have accepted Jesus Christ as their Lord and savior and are worshiping and praising God for their new lives.
